

LASERFORM
CUTTING THROUGH TECHNOLOGY

LASERFORM

Establish in Year 2017

ISO Certified – 9001:2015

Ownership Deatils

Mr. Vinod Mittal is the creator of the metal products manufacturing business LASERFORM. He has extensive experience in the refrigeration sector spanning more than Four decades. Under the name Antarctica Equipment Pvt.Ltd.

He began producing "Refrigerated Display Cabinets for Sweets and Pastries" in 1989. He invested in Japanese CNC Fibre Laser, CNC Turret Punching, and CNC Bending Press machines in 2017 to expand his brand-new company. With a broad ambition to offer high-quality products and complete customer pleasure, the LASERFORM corporation embraced a profound insight into design.

We Customized Sheet metal fabricated & non- fabricated parts to the OEM

ABOUT US

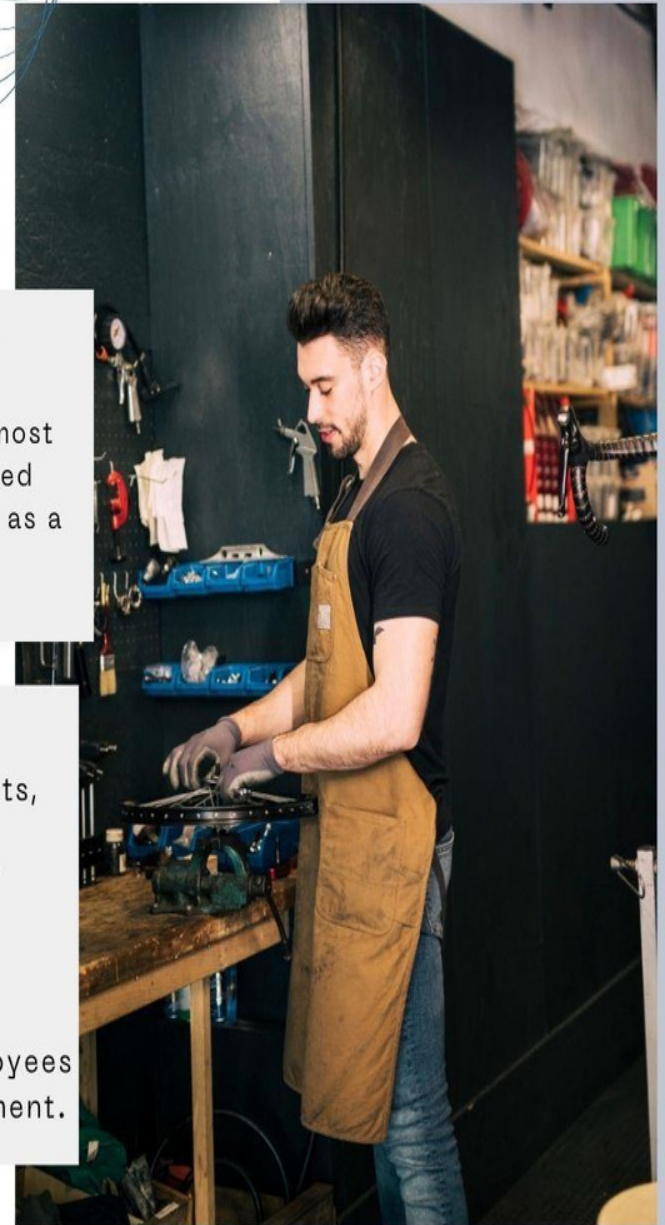

By producing a variety of components and providing its services to a variety of industries over the years, the company has distinguished itself and accumulated the most experience. Since its founding, the business has expanded and come a long way by establishing a solid reputation as a Self Reliable and Reputable Name in the Deep Drawing Industry.

LASERFORM has successfully designed and built numerous complex components for a variety of clients, and we're committed to:

- By paying attention to and assessing our clients' demands, we may anticipate market prospects.
- Using our knowledge, abilities, and resources to create timely, cost-efficient solutions.
- Fostering a culture of empowerment among employees through change, growth, and continuous improvement.

Our Vision

The LASERFORM company adopted a deep insight into designing, with a broad vision to provide high quality products and with complete customer satisfaction.

WHY CHOOSE US?

Timely deliveries

Cost

Accuracy

Quality

Our plant is spread over an area Plus 1000 Sq. Mtr. & it is equipped with plant and machinery with latest technology to produce consistently high quality and cost effective products to cater all needs of our clients including all types of Laser cutting and fabrication under one roof .

LASERFORM Company is engaged in Design & Manufacturing of Sheet Metal Products. Our Machinery, our trained team, and their passion for excellence has been our strength.

Our Assets

- A) Latest High-Speed Laser Cutting Machine AMADA Japan -
(Capacity: Cutting sheet size up to 20mm thick) 2018
- B) Bending Press AMADA Japan -(Capacity: 100 Tons RANGE OF
PRODUCTS) 2018
- C) Turret Punch Press AMADA Japan 2021
- D) MIG Welding Machine
- E) Spot Welding Machine
- F) TIG Welding Machine

INFRASTRUCTURE

Manufacturing facility located at Kundli, Sonipat (Haryana), spreads over 1000+ Sq. mtr. of area and is fully equipped with state-of-the-art manufacturing.

Industries we cater

- A) Textile Industry
- B) Hospital Furniture and Accessories.
- C) Bread Manufacturing Companies
- D) Commercial Kitchens
- E) Domestic Kitchens
- F) Building Construction Raw Material Manufacturing Companies
- G) HVAC Industries
- I) Automobile
- J) Rice Mill Manufacturing Companies.
- K) E-Vehicle Manufacturing Companies.
- L) Architects
- M) E- Vehicles Charger Manufacturing Industries

**WHERE DO WE SEE
OURSELVES IN
NEXT 5 YEARS**

**We wish to see our
clients happy and
satisfied.**

OUR ACHIVEMENT & AWARDS

The 33rd
Precision Sheet Metal Technology Fair

AMADA Award

Presented to:
Laserform CNC cutting and AHU manufacturing

Award for:
RLM ATV Off Road Vehicle

This is to certify that your excellent work
is awarded herein and we are pleased to
honor your high level of contribution to
metal fabrication field.

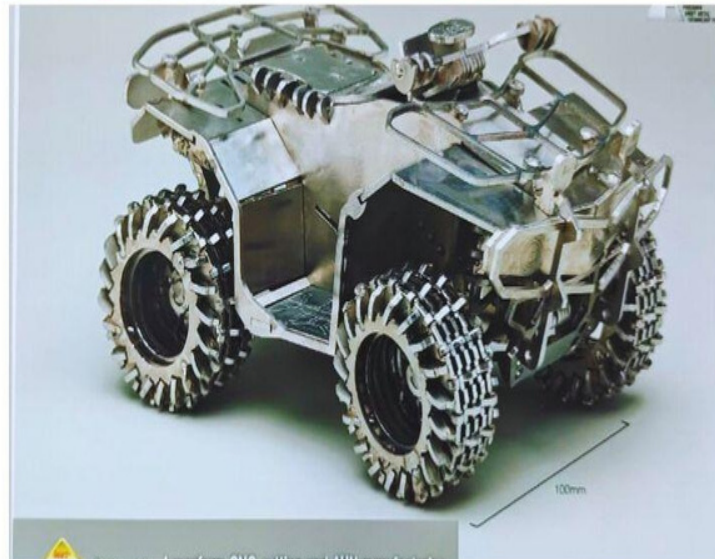

Congratulations on your performance.
